PROGRAM DIRECTOR'S What You Need To Do

When trainees/applicants apply to take the ABNM Certification Examination, the Board requires each trainee/applicant to obtain documentation from their Program Director(s) as outlined below. **NOTE: DEADLINE FOR SUBMISSION OF BELOW LISTED DOCUMENTATION IS JULY 15TH**

EVALUATION OF CLINICAL COMPETENCE NUCLEAR MEDICINE/NUCLEAR RADIOLOGY PROGRAM DIRECTOR(S)	ABNM CERTIFICATION EXAMINATION POST TRAINING VERIFICATION NUCLEAR MEDICINE PROGRAM DIRECTOR(S)
<p>When a trainee/applicant applies to take the ABNM Certification Examination, each trainee is required to request an evaluation from their Nuclear Medicine/Nuclear Radiology Program Director(s).</p> <p>Please complete the</p> <p><u>Program Director's Evaluation of Clinical Competence</u></p>	<p>When a trainee/applicant sits for the ABNM Certification Examination prior to completion of Nuclear Medicine (NM) training, the ABNM will contact the Program Director (via email) requesting verification that the NM training in your program was successfully completed and the date the NM training of completion.</p> <p>NM training verifications must be received prior to December 31st. If the ABNM is unable to obtain verification of NM training by this deadline then the examination results will not be disclosed and the results of the examination will become null and void.</p>

Program Director: Please complete form(s), sign, scan and email form to abnm@abnm.org. **NOTE: ALL forms must contain the Program Director's original signature. Scanned copies of the form without the Program Director's original signature are not acceptable. Scanned copies must be emailed by the Program Director directly to the ABNM office. Forms cannot be sent, emailed or received from the trainee/applicant.**
